EDUCATION

The University of Adelaide

Bachelor of Computer Science

Adelaide, SA

Est. Completion Dec 2025

Queensford College

Certificate III in Business

Adelaide, SA

Completed Jul 2021

PROJECTS

Pet Adoption Website | *HTML, CSS, JavaScript, Vue.js, Express.js, MySQL*

May 2024

- Developed an animal adoption site to allow users to register and simulate the animal adoption process.
- Utilised **Vue.js** and **Express.js** to develop a dynamic website.
- Integrated **MySQL** to interact with dynamic web interfaces.

Guitar Metronome and Timer App | *MongoDB, Express.js, React.js, Node.js*

Feb 2024

- Implemented **MERN** stack to develop an application that tracked and stored successful 1 minute chord changes by allowing the user to self report.
- Developed a metronome with an adjustable BPM range of 10-140, and a timer with an adjustable range of 5 - 300 seconds.
- Engineered a project that had consistent users report an average increase of 25 percent in their chord transitions. Chord transitions were stored in a **MongoDB** schema

Library Web Scraper | *Python, Flask, Selenium, HTML, CSS, JavaScript*

Dec 2023

- Implemented **Selenium WebDriver** using **Python** to retrieve details of a book's current status and expected return date.
- Developed a static website using **HTML**, **CSS** and **JavaScript** to display and execute the script.
- Incorporated **Flask** framework to managed the server-sided routes and overall backend of the website

Tower Defence Game | *C++, SFML*

Sep 2023

- Developed a Tower Defence game in **C++**, with **SFML** to serve as a graphics interface.
- Successfully implemented Object Orientated Programming principles in the development of the project.
- Collaborated in a group of 3, and used **Git's** functionality to deliver the project.

EXPERIENCE

Assistant

Jan 2024 – Present

Code Camp

Adelaide, SA

- Taught the fundamentals of **JavaScript**, **Scratch**, and **Python** to helped school-aged students overcome coding challenges to achieve their learning objectives.
- Mentored and supported school-aged students in developing real-world projects and portfolios to showcase their skills.

Nightfill/Replenishment

Jun 2021 – Present

Coles Munno Para

Adelaide, SA

- Developed exceptional teamwork and communication skills.
- Ensured that inventories and item location are correct in accordance with established procedures.

Crew Trainer

May 2018 – Jul 2021

McDonald's Gawler

Adelaide, SA

- Assisted management in training new crew members and took a lead role in crew member development.
